

DAISY INTERIORS

PORTFOLIO

FUNCTIONAL AESTHETICS

WELCOME MESSAGE

We specialise in high end interior decorating using functional design and classic style.

TABLE OF CONTENT

01

OUR TEAM

Our directors are passionate about functional, opulent classic interior design

02

ABOUT US

We are a South African, female owned collaborative looking to bring luxurious spaces into your life experience

03

OUR MISSION

Creating timeless decor for residential and commercial spaces for a truly memorable experience.

04

CREATIVES

Our in-house designers have years of experience in designing classic interiors for multiple properties for family and friends and are now bringing their expertise to you

05

OUR BASE

We provide decor services to the greater Durban area and are based out of Durban North

01.
WELCOME

Partnering with local suppliers and traders harnesses the character of the area we aim to provide you with a timeless experience.

Paying a fair price for goods created by these local traders ensures responsible and sustainable economic development.

From local basket weavers, fabric and furniture makers and artists, we utilise these home-grown treasures to elevate design spaces

Local business
